

### City on TV Monday Nite

The city of Torrance will hold the limelight on TV Channel 9 beginning at 8:15 p.m. on Monday, Feb. 2.

The city will be honored on a special TV program originating from the Wilmington Bowl, according to Dale Isenberg, executive secretary of the Chamber of Commerce.

Half price tickets to both the ceremony and the boxing event that follows are available now at the Chamber of Commerce, Isenberg said.

The program will feature introductions of Mayor Mervin Schwab, City Manager George Stevens, and Chamber President Robert I. Plomert, Jr.

### Recommend Woolley for Prosecutor

City Attorney James M. Hall this week revealed plans to recommend the immediate appointment of local Attorney Boris Woolley as City Prosecutor.

The need for a legal advisor to

BORIS WOOLLEY

handle criminal cases for this city became especially great when the new South Bay Judicial Court became active and the city court was dissolved.

Hall reported that he no longer has time as a part-time employee to take care of the growing amount of legal business for the city and to handle all criminal prosecution.

He stated that Woolley will be hired part-time on a temporary basis pending outcome of efforts to have all criminal cases handled by the district attorney's office.

It's not the brains that matters most, but that which guides them—the character, the heart, generous qualities, progressive ideas. Dostoyevsky

### Oppose Curb Parking Plan On Sartori

Merchants, motorists and pedestrians this week all accorded a favorable response to the Traffic Commission suggestion that traffic on Sartori ave. be made one-way.

However, many protested the plan to make parking parallel. Merchants particularly expressed opposition to this plan. They favor continuing the diagonal parking that has been used along Sartori ave.

Police Chief John Stroh stated that he offered the plan to see what reaction would be. He stated that diagonal parking will be continued if that is what the public wants.

He said, however, that the one-way traffic plan, which is being received favorably, would probably be put into action soon. The new plan, he added, would expedite traffic along the main business street.

The Traffic Commission is composed of Councilman Nick Drake, City Manager George Stevens, City Attorney James Hall, and Stroh.

### Teachers Get Pay Raises Totalling \$150

Torrance teachers were given a pay raise that will add \$150 more to their salaries this year after action taken by the Board of Education Tuesday night.

This brings the minimum paid by the school district up to a level with Los Angeles schools, where the yearly base is \$3,650.

The raise was made possible by

Power Source  
Auckland, N.Z. (SF)—Coal represents 57 per cent of the national energy currently available in the dominion of New Zealand.

extra funds derived from Proposition 2, which was passed by the electorate in November, according to Superintendent of Schools Dr. J. H. Hull.

At the same time raises were also granted to school maintenance employees, Dr. Hull said.

He stated that the increases in pay will do much to solve the problem of a rapid personnel turnover that has been costing the school district a great deal of money.
